MEMORANDUM FOR MILITARY FAMILIES USING CONTRACTED SCHOOL BUSES

FROM: 28 BW/CD

SUBJECT: Personal Conduct Code for Students Riding Ellsworth Air Force Base (AFB)
Contracted School Buses

This policy letter implements the personal conduct code for children on all Ellsworth AFB contracted school buses. Authority for this policy comes from DoDM 4500.36-Enclosure 5, section 6., Department of Defense Manual, 7 July 2015, and the 28th Bomb Wing Commander. This guidance is applicable to all school-age students who are authorized to utilize this service.

1. General:

1.1. The Ellsworth AFB school bus service provides 'one trip to' and 'one trip from' the Douglas School District on each day school is in session. Utilizing the Ellsworth AFB school bus service is a privilege provided under a contract between the U.S. Air Force and Yellowfin's School Bus Services, Inc.. Ellsworth AFB officials have partnered with state and local school administrators for coordination of this activity to ensure the safety of our military dependent students remains our primary focus. The Ellsworth AFB school bus service is an independent activity not affiliated with, funded by, or under the authority of the State of South Dakota or the Douglas School District. It is the responsibility of parents/guardians to ensure each child adheres to the proper conduct while riding the school bus. Conduct on the Ellsworth AFB school bus service is governed as an extension of Ellsworth AFB itself. Yellowfin's school bus drivers will report all student/parent/guardian conduct violations to the Dependent School Bus Contract Project Manager and Contracting Officer's Representative (COR), 28th Logistics Readiness Squadron.

2. Objective:

2.1. The purpose of this policy is to provide safe and secure transportation to and from school for all students authorized to use this service.

3. Guidelines:

3.1. Cameras have been installed on the buses and will be utilized during student transport. These devices can be used as evidence in any disciplinary action arising from the conduct of a student, parent/guardian, or employee while on the bus and is thus intended to protect students and drivers alike. Recordings will not be released to the general public or any individual without written consent and authorization from the 28th Bomb Wing Commander or designated

officials.

3.2. Parents/guardians are responsible for having their children at the authorized bus stops prior to the scheduled arrival time.

3.3. The following rules apply to all students riding contracted buses at Ellsworth AFB:

3.3.1. Students will obey the instructions of the driver.

3.3.2. Students will not cross the street in front of the bus while the bus is in motion.

3.3.3. Students will not cross the street directly or within 150 feet behind the bus at any time.

3.3.4. Students will not stand in traffic lanes while waiting for the bus.

3.3.5. Students will assist the driver in keeping the bus interior clean and orderly and must report any vehicle damage to the driver.

3.3.6. Students of active-duty military personnel are given priority. Parents may request services for additional riders (e.g. visiting friends). However, if the bus is full, the request will be denied.

3.3.7. Students are not to bring toys and game balls to school. They tend to get lost or stolen. Students may bring items for show and tell if they fit in a backpack or other container. Neither the school or the school bus service will be held responsible for stolen or lost items such as electronic devices, trading cards, game balls, or other personal property.

3.4. In the event of misconduct, the driver will complete a Student Transportation Incident Report for the COR. NOTE: the following conduct applies to students and parents/guardians on the installation, public streets, or on Douglas School District property, and are considered major infractions and strictly prohibited:

3.4.1. Refusing to obey the driver. First offense: Warning from driver/COR. Second offense: 1 School Day Riding Suspension (SDRS). Third offense: 3 SDRS. Fourth offense: 5 SDRS, Five or more offenses: 10 SDRS.

3.4.2. Carrying dangerous/deadly weapons, illegal drugs, and/or committing actions which prohibit or endanger the safety or health of either the passengers or the driver will result in automatic permanent suspension of riding privileges on Ellsworth AFB school buses.

3.4.2.1. Per South Dakota Law, Title 13, Chapter 32 §13-32-7, "a dangerous and/or deadly weapon is defined as any firearm, knife, air gun, or device, instrument, material or substance, whether animate or inanimate, which is calculated or designed to inflict death or serious bodily harm."

3.4.3. Failure to remain seated while the bus is in motion or blocking the aisle or door. First offense: Warning. Second offense: 1 SDRS. Third offense: 3 SDRS. Fourth offense: 5 SDRS. Five or more offenses: 10 SDRS.

3.4.4. Inappropriate language on or around the school bus or excessive noise. First offense: Warning. Second offense: 1 SDRS. Third offense: 3 SDRS. Fourth offense: 5 SDRS. Five or more offenses: 10 SDRS.

3.4.5. Smoking, vandalism, or tampering with doors/windows. First offense: 5 SDRS. Second offense: 10 SDRS. Third offense: 15 SDRS. Fourth offense: Permanent suspension of riding privileges of Ellsworth AFB school buses.

3.4.6. Throwing objects in/out of the bus windows/doors, at the bus, at the driver and/or at passengers. First offense: 5 SDRS. Second offense: 10 SDRS. Third offense: 15 SDRS. Fourth offense: Permanent suspension of riding privileges of Ellsworth AFB school buses.

3.4.7. Fighting, hitting, slapping, or wrestling. First offense: 1 SDRS. Second offense: 3 SDRS. Third offense: 5 SDRS. Fourth offense: Permanent suspension of riding privileges on Ellsworth AFB school buses.

3.4.8. Eating, drinking, spitting, or littering. First offense: Warning from driver/COR. Second offense: 1 SDRS. Third offense: 3 SDRS. Fourth offense: 5 SDRS. Five or more offenses: 10 SDRS.

3.4.9. At the discretion of the 28th Bomb Wing Deputy Commander, any incident or event of misconduct not included in this section may result in punishment ranging from 1 SDRS up to and including permanent suspension of riding privileges on Ellsworth AFB school buses.

3.5. Violations of these personal conduct rules could result in suspension of bus privileges. The following steps will be taken upon receipt of an incident report from the bus driver.

3.5.1. The COR will forward incident reports to the 28th Bomb Wing Deputy Commander once received from the bus driver. The 28th Bomb Wing Deputy Commander will notify the parent/guardian of any child with a complaint against him or her. The 28th Bomb Wing Deputy Commander will provide the parents/guardians with guidance to ensure they understand the personal conduct rules for riding the school bus. The 28th Bomb Wing Deputy Commander will decide if student should receive disciplinary action.

3.5.2. The 28th Bomb Wing Deputy Commander will evaluate the complaint to determine if a student has engaged in misconduct as outlined in paragraph 3.4 and may impose disciplinary action. Any disciplinary action, to include warnings, SDRS, and permanent suspensions will be communicated to the parent/guardian in writing and will become effective immediately. Parents/guardians wishing to appeal disciplinary actions may do so in writing to the 28th Bomb Wing Deputy Commander. Under no circumstances will the student or parent/guardian appear in person to appeal the disciplinary action. Full details of the appeal process will be outlined in the disciplinary action letter sent to the parent/guardian.

3.5.3. If the 28th Bomb Wing Deputy Commander denies an appeal, the parent/guardian of the child may further appeal that decision to the 28th Bomb Wing Commander. The decision of the 28th Bomb Wing Commander is final and not subject to further appeal. Any disciplinary action imposed will remain in effect throughout the appeal process.

3.6. Significant infractions as outlined in paragraph 3.4, may result in immediate removal from the bus until an investigation from the COR is concluded. NOTE: Possession of a weapon will result in immediate notification of the 28th Security Forces Squadron and/or Box Elder Police and the student will be removed from the bus with suspension of riding privileges until the conclusion of the investigation. Misconduct that violates South Dakota or federal law may be offered or transferred to the appropriate civil authorities for action at the discretion of the 28th Bomb Wing Commander or designated official. Parents/guardians are ultimately responsible for the behavior of their dependent(s) and actions may be taken against them if necessary and appropriate.

3.7. Should parents/guardians wish to raise concerns about the contract bus drivers, conditions on the buses, or bus services in general, they may do so by contacting the COR, 28th Logistics Readiness Squadron, via email at 28lrs.schoolbus.contract@us.af.mil. Questions regarding times and dates of school bus service should be directed to Yellowfin's Bus Service at 913-278-2056.

3.8. Your cooperation is greatly appreciated and will help ensure all students continue to enjoy the privileges of using the Ellsworth AFB school buses.

Frequently Asked Questions

1. Who is authorized to use this service?

DoD 4500.36-Enclosure 5, section 6., Department of Defense Manual, authorizes this service for housing residents located on Ellsworth AFB. Children of active-duty military are given priority for this service. Parents may request services for additional riders (e.g., visiting friends). However, if the bus is full, then the request will be denied.

2. How were bus routes/stops determined?

Bus routes and stops were determined utilizing historical data. There are 5 bus routes and 28 bus stops.

3. Is there a policy on behavior?

Yes, there is a policy on behavior. The Personal Conduct Policy, signed by the 28th Mission Support Group Commander, dictates in clear terms the requirements and responsibilities for students to retain their bus riding privileges.

4. Are the buses equipped with recording equipment?

Yes, all buses are equipped with audio/video recording equipment. This is for the protection of both the student and the bus driver. Please refer to the Personal Conduct Policy memo.

5. What can I do (as a parent) if my child missed their bus at the nearest bus stop?

There are multiple bus stops throughout Rushmore Heights, Prairie View, and Black Hills Estates for each bus route. Children can catch their bus at any of these stops.
